## POLICIES

Classes will be offered for one 16 week session. Students will be committed to a specific class at a specific day and time. Until there is an update on the capacity limits per studio, there will be no makeups allowed, as each class is limited to 8 students. There will be one makeup FRIDAY offered during the semester where classes must be pre-booked on a first come first serve basis. Pricing is based on the number of classes taken per week. Discounts apply when registering for more than one class per week. These discounts are offered per child, NOT per family. There is an additional \$25.00 loyalty discount offered to those who were registered between September-December. The registration fee is also waived for those families. There is minimum of two Ballet Classes per week required in Levels 2 and up (not including Level 1/2). Should there be a state or national mandate that requires us to close our in person classes, we will resume a schedule as close to this as possible on ZOOM. **Regardless of whether classes are held in person or virtually, there will be no refunds after January 18th, 2021. Registration and costume fees are not refundable. There will be no refunds offered for missed classes due to illness or mandated quarantines.**
